Introduction

This document lists the supported devices by Milestone Kite™.

Disclaimer

Milestone does not warrant nor accept liability for the 3rd party devices and their functionality.

Revision Information

The current list of supported devices for Milestone Kite™ is published on Milestone's website:

<https://www.milestonesys.com/support/tools-and-references/supported-devices/>.

Last updated: February 1, 2024.

Milestone Kite™ Supported Device List

Milestone Kite™ supports ONVIF conformant models of IP cameras, sensors, access and other IoT devices.

Device Type	Specifications
IP Cameras	Thousands of ONVIF Profile S conformant devices*
Audio	Axis (VAPIX®) network speakers, horns, audio modules, and cameras with built-in audio sources. Audio for Camera-to-Cloud devices is currently not supported.

* Please visit <https://www.onvif.org/conformant-products/> and select Profile S for a list of devices.

Milestone Kite™ Camera to Cloud Supported Device List

The Milestone Kite™ Camera to Cloud deployment option differs from the Milestone Kite™ Gateway connected deployments as it does not require the Gateway hardware to connect devices. This makes it an even simpler and cost-efficient choice for smaller installations. The current list of supported Camera to Cloud devices are listed below.

Model / Series	Style	Resolution	Variants	Recommended Storage	Image
AXIS P3267	Indoor/Outdoor Dome	5 MP	LV, LVE	512 GB	
AXIS P3268	Indoor/Outdoor Dome	8 MP	LV, LVE	1024 GB	
AXIS Q1656	Indoor/Outdoor Box	4 MP	B, BE, BLE, LE	512 GB	
AXIS P1467	Outdoor Bullet	5 MP	LE	1024 GB	
AXIS P1468	Outdoor Bullet	8 MP	LE	1024 GB	
AXIS Q3538	Outdoor Dome	8 MP	LVE	1024 GB	

Milestone Systems is a leading provider of data-driven video technology software in and beyond security that helps the world see how to ensure safety, protect assets, and increase business efficiency. Milestone enables an open platform community that drives collaboration and innovation in the development and use of network video technology, with reliable and scalable solutions that are proven in more than 500,000 customer sites worldwide. Founded in 1998, Milestone is a stand-alone company in the Canon Group.
