## How we can help

Get the help you need with our solutions. These products and installation services can solve challenges you have today – and tomorrow. Here's how we can help.

<p><b>Provide situational awareness to response teams</b></p> <p>With situational awareness tools like large-scale surveillance, alarm monitoring systems, and event management technology, you can help your response teams.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>	<p><b>Prevent vandalism</b></p> <p>The right combination of security technology, vandalism prevention measures, and property management policies can get to the source of vandalism and prevent it from happening again.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>	<p><b>Gather evidence for criminal investigations</b></p> <p>Identifying evidence, preserving crime scenes, gaining access to footage are just a few of the challenges that facility managers and police face when gathering evidence of a crime.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>
<p><b>Control access to restricted areas</b></p> <p>Access control means providing property access to the right people. Ensuring this often involves complicated setups and rules that pertain to certain individuals or types of property.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>	<p><b>Respond to medical emergencies as quickly as possible</b></p> <p>With the right combination of systems and processes, it's possible to locate those who need help and bring the right emergency response to them as quickly as possible.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>	<p><b>Understand customer behavior</b></p> <p>What are your customers thinking? Where are they looking? What do they want? Retailers are constantly looking for new ways to understand customer behavior.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>
<p><b>Provide a personalized customer experience</b></p> <p>Retailers are constantly searching for new and innovative ways to serve their customers. Business intelligence services, mobile apps, IoT tech and customer segmentation tools.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>	<p><b>Reduce employee theft / shrinkage</b></p> <p>Employee theft and loss of inventory can be frustrating and detrimental to your operation. Processes and technology like video surveillance, central monitoring, and tracking can keep you</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>	<p><b>Prevent multiple people from entering a door on a single access badge</b></p> <p>So-called "piggybacking," where two people use one access code to enter a building, is a common issue with secure buildings. Anti-passback access control, mobile credentials, facial recognition.</p> <p style="text-align: right;"><a href="#">EXPLORE</a></p>
